PRINCIPAL'S REPORT

As we get to the back end of the term it is a great opportunity to reflect on some of the outstanding things that have been happening across the school. Whilst Remote Learning has its challenges, together we have been able to provide a range of activities that have been rolled out across the term to help with the engagement, wellbeing and connectedness to peers that we know is a challenge during these times. It has been fantastic to have the opportunity to 'drop in' to the Webex sessions and participate in the discussions, interact with the students during Story Time and see the outstanding work that is being lodged on Seesaw. I encourage everyone to check out the outstanding News Bulletin from our School Captains who showed some creative flair to share the news from across the school. The Junior School Disco, whole school Science Experiment led by our Science Captains to celebrate Science Week, Story Time with the Library Captains, Buddy Video and The Selby Big Walk are some examples of the extra opportunities that are being run to help keep the students connected to the school.

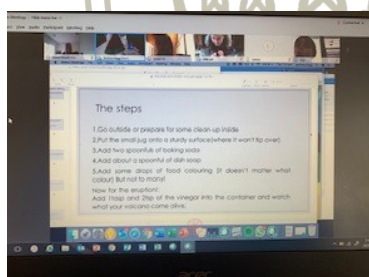

Science experiments with our Science Captains. So many colourful volcanoes erupting!

2021 PREP ENROLMENTS

Enrolments at Selby Primary School for Prep 2021 are now open. If you know of family or friends who may be interested in hearing more about a Selby education for their children, please ask them to contact the school office to arrange a virtual school tour. We strongly encourage enrolling families for 2021 to submit their enrolment forms now, so class structure and staffing can be determined. Thank you for your assistance with this.

ON SITE ATTENDANCE

Requests for onsite supervision must be made in writing using the approved Education Department application form. This form has now been updated to further restrict access to onsite supervision. The main change is a move away from 'essential workers' to 'permitted workers'. The Victorian Government has provided a list of these work areas.

Application forms must be received by the school by 3.00pm each Thursday and ***all families who seek this service must complete an application which is accompanied by a 'permitted worker' letter.*** A 'permitted worker' letter may be requested from your employer.

Stay safe, stay 5km from home and stay warm
