PRINCIPAL'S REPORT

We have had a fantastic couple of weeks at school. The weather has been lovely, our students are happily learning in their classrooms and the playground has been a hive of excitement. Our students have all settled back in very well and it has been wonderful catching up with all the students, even though many of them are hard to recognise due to some serious growth spurts over the last six months and some different hairstyles.

Next Friday students will be provided the opportunity to have some input into their 2021 class placement. Students will be asked to nominate 3 friends and 3 people that they work well with. Due to the current restrictions we are unable to run the week of transition activities where we mix different student groups to allow them the opportunity to connect with a range of students in your child's cohort. Please spend some time discussing these choices with your child so that they have thought carefully about the names that they put down.

Once we have all this information, combined with parent feedback and teacher input we will begin the process of forming classes for 2021. This is not a quick process and many hours are put into forming the classes each year.

WORLD TEACHERS' DAY

This year Victoria celebrated World Teachers' Day on Friday 30 October 2020. World Teachers' Day 2020 celebrated teachers with the theme 'Teachers: leading in crisis, reimagining the future'. This theme reflects the commitment teachers have made as leaders particularly teaching throughout the coronavirus (COVID-19) pandemic, in a range of environments. World Teachers' Day is a chance to recognise and celebrate the incredible contributions teachers have made in Victorian communities, as they help to teach the future.

Thank you to the amazing and inspirational teachers and staff we have at Selby Primary School who have this year demonstrated more than ever how committed they are to providing the best educational experiences they can for all students at our school.

STAFFING AND GRADE STRUCTURES FOR 2021

As we are now planning for 2021 we ask any families that are not returning to Selby PS in 2021 to please let us know in writing (email preferred) as soon as possible.

If you know of any families that are looking to enrol their children in Selby PS for 2021 we ask them to contact the school as soon as possible and complete the enrolment forms.

PARENT OPINION SURVEY

Each year the school conducts an opinion survey amongst a sample of the school community. This year, all families are invited to participate.

Results from this survey will be used to inform and direct our future school planning and improvement. All survey results are tabled, shared, discussed and analysed at School Council Meetings.

I ask you to please take the time to complete the survey as your opinions are important to us and will contribute to the future management and organisation of our school.

Please be assured that your responses are completely confidential. The survey is conducted anonymously, and it is important to us that you complete the survey as honestly as possible.

A unique code and letter was emailed to each family with further information on Monday October 19, 2020. The survey will be conducted online and should take 20 minutes to complete.

The survey can be completed on any internet enabled device (iPad, Desktop or Laptop, Smartphone) and is compatible with most browsers.

The survey will be open until Friday November 13, 2020. To date we have had 34 responses out of 148 invitations distributed (23%) and we look forward to getting as many responses as possible as this data is very valuable to us as we continually seek to improve Selby Primary School.

PARENT CONTRIBUTIONS 2021

This week the Parent Payments for 2021 will be sent home. The cost for Parent Payments have been discussed and approved at our Finance and School Council meetings and we have managed to reduce the cost of fees for 2021. Please contact the school if you have any queries about this matter.

Have a great week
David Orlandi
Principal

16/10/2020

Dear School Community,

Changes to our VIP sale approach for 2020

We are writing to advise you of the changes that we will be making for this year's VIP sale season. We're excited to offer a VIP season again this year, but have had to change our approach following the impacts of COVID-19, in order to ensure that we can hold the sale in a way that still protects the health and safety of our customers and team.

In previous years, we've offered a 20% discount over a one-week period. As we're sure you can imagine – and some of you would have experienced – this can bring a lot of traffic into the stores at one time, which we as a company felt would be too big of a risk in the current circumstance. So instead of the one-week, 20% off discount period, we will be offering customers across all our stores a **10% discount over six weeks, starting from Monday 2nd of November to Thursday 17th of December**. This will give families an extended period in which to benefit from the VIP sale, which we hope will give everyone the chance to round out their end of year uniform, or prepare for the coming year, with the comfort of being able to do so safely.

We hope that you can all understand the reasoning behind our changes to the VIP sale, and appreciate your understanding and support throughout this and the many other changes that have occurred throughout this year. We hope you are all keeping safe and well and look forward to seeing you for our end-of-year VIP sale season!

All the best,

No Football, Basketball, Netball or Soccer this winter so why not give cricket a go this summer? The FTGDCA and Cricket Victoria have been working hard to finalise the training and playing protocols and will have them ready for when we start training. Come along and discover how cricket can boost confidence, stretch your skills and grow your friendships.

We are starting a Super7's / Fast 9's side this season and are looking for players(Girls and Boys). It is an ability-based game so it's a great game to start out in, played on a Wednesday night. Maybe the Woolworths Cricket Blast program will suit you – It's a fun and active program for girls and boys of all abilities – whether its your first time with a bat or you're a backyard cricket star!
