## PRINCIPAL'S REPORT

### WELCOME BACK!

Welcome back to Term 3 at Selby! I trust that everyone spent some time recharging the batteries in preparation for another busy term. I know many of the people that I have spoken to did very little which means they must have needed the rest, but there was some great weather which allowed us to get out and about. I also know of a number of families that had their trips cancelled or cut short and spent some time quarantining.

Production is a big highlight of this term and students, staff and parents are all well underway in preparing for this event. Production is scheduled for August 4 & 5. We are awaiting any further changes to crowd limits before releasing tickets for sale with the hope that we will be able to have a full theatre. More details about all aspects of the production will be provided in the coming weeks.

Term 3 promises to be another great term filled with many great things planned. We have book week, incursions, excursions, Father's Day stall, kinder visits, 2022 Prep transition sessions and working bees on top of our fantastic classroom programs which will offer our students a range of opportunities and experiences.

I would also like to welcome our two new families to the school who started this week. We hope that you settle into our community and we look forward to having you as part of our school.

We look forward to seeing you around the school.

David Orlandi  
Principal
