PRINCIPAL'S REPORT

WELCOME BACK...AGAIN

It was great to reboot Term 3 on Wednesday, and a delight to see all the happy smiling faces of our students in person. Kids love school, and for good reason. You get to be with your friends and teachers, you get to learn and develop, and you get to have lots of fun. We really do appreciate your support, understanding and patience throughout all the transitioning periods, not just this latest lockdown. The sad reality is this latest lockdown may not be the last we see before the year is out. Whatever transpires, please be assured that we will continue to do everything within our means to support our students' learning and wellbeing, and to support our community.

Once again, we are dictated by the School Operations Guide which came in late Wednesday night. Below is a summary of some of the guidelines that are currently in place.

Please note these guidelines regularly change and we will continue to update you of major changes that impact upon our school community.

Safety measures

Please continue to ensure that all safety measures are followed which includes:

- Wearing masks at all times inside and outside
- Using hand sanitiser regularly
- Remaining outside of buildings and classrooms
- Dropping off your child/ren and then departing the school quickly
- Parents are allowed onsite to quickly drop their children off and collect them, but they are not allowed to enter classrooms
- Socially distancing from others
- Scanning the QR code, if needing to address urgent matters through the school office.

QR codes and record keeping

The use of Service Victoria QR codes for electronic record keeping is now mandatory in all schools to enable the effective contact tracing of any COVID-19 cases. This requirement will continue into Term 3 until further notice.

QR code check ins are required to be used by:

- All visitors on school site (including contractors, external Department staff and building and maintenance staff)
- All parents who enter school buildings when on school site. (Parents are only allowed to enter the school office, **they are not allowed to enter classrooms**).

QR code check ins are not required to be used by:

- Students
- Parents who come onto school grounds for drop off or pick up, and do not enter buildings.

Excursions, Incursions, Camps, School Tours, Transition Programs and Assemblies

(Please note this information may change as directed by the Department of Education and Training)

- School camps and overnight stays can take place across Victoria with no travel restrictions
- Drinking fountains can remain open
- School tours should not be conducted on-site for prospective students and their families at this time
- Incursions are not permitted at this time
- Excursions are permitted with students from a single school only
- Non-essential meetings, and all school events, gatherings and assemblies should be deferred or held remotely
- Kinder to Prep and Year 6 to Year 7 transition programs are not permitted at this time.

Face masks in schools

Please see the coronavirus.vic.gov.au website for the latest face mask requirements as advice may change at short notice.

As directed by the Victorian Chief Health Officer, from 11.59pm Thursday 15 July:

- Children under 12 years of age and students at primary school are not required to wear face masks when at school, or when attending an OHSC program.
- For communication purposes, teachers and education support staff are not required to wear face masks while teaching, but those who wish to do so, can. It is recommended that face masks be worn while teaching wherever practicable.

The wellbeing of all our students is our priority and our school staff and teachers are here to support you and your family. Information that might be of assistance to you in talking to your child about COVID-19 is available. If you are concerned about your wellbeing or that of your child, please contact the school so we can talk with you about how we can best assist. Other sources of support include: Parent Line 13 22 89 and Kids Helpline 1800 55 1800.

A reminder that if you, your child, or a family member develops symptoms of COVID-19, you should get tested at a COVID-19 testing facility and stay home.

Each family should regularly check the list of public exposure sites in Victoria (where a person with COVID-19 has attended), and if anyone in the family has attended a site at the times listed, follow the instructions given.

As has been the experience before, the guidelines will become either stricter or more relaxed depending on how Victoria comes out of this lockdown. We are fairly certain that what we have is locked in for the next few weeks and we encourage everybody to follow the guidelines of the Chief Health Officer so that we can get back normal as soon as possible.

PRODUCTION

Given the restrictions that we are currently operating with the decision has been made to film this years Production. The ongoing uncertainty around lockdowns, density limits and venue availability has led us to this decision.

Obviously this is disappointing not to be performing in front of an audience but we know from last years experience that filming offers a fantastic opportunity for the students to still participate in Production. Currently we are investigating some options to screen the show and DVD copies of the performance will be able to be purchased.

CURRICULUM DAY

Each year all Victorian Government Schools are allocated 4 curriculum days to use for professional learning and/or undertaking other work that cannot be undertaken on other school days. These days are extremely important to all schools, as they are an opportunity to work together as a whole staff to build our knowledge and understanding of new and emerging teaching and learning approaches. Like all professions, teachers must constantly update their knowledge and continue to build new skills that respond the needs of students.

The Curriculum Day next Friday August 6 will proceed as planned. We have already once postponed it after the last lockdown. Staff have been working throughout the term on developing our teaching of writing and the day will allow us to again focus on this work. No students are required at school on this day.

THE 2021 PARENT OPINION SURVEY

The Parent Opinion Survey is issued annually by the Department of Education and Training and is conducted amongst a sample of randomly selected parents at every school in Victoria. This year I have allowed all families the opportunity to participate. All responses to the survey are anonymous. The survey helps our school gain an understanding of how you view our school climate, student engagement and the teaching and learning programs. Our school will use the results to inform school planning and improvement strategies.

The survey will be conducted online, only takes 10-15 minutes to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. The survey is open until Sunday 22nd August. Results will be sent back to our school at the end of September.

FIRST AID COURSE

SUNDAY AUGUST 8

9:00—4:30

We have been very fortunate to have one of our parents Jason Watson from Thomson Bridge offer a First Aid and CPR course, held on 1 day (approx. 8 hrs) at Selby Primary School on Sunday August 8 from 9:00am—4:30pm. Jason has very generously donated all the money to the Year 5/6 2022 Camp fundraising efforts.

Successful completion of the course will result in Statement of Attainments of the following Units of Competency:

- HLTAID009- Provide cardiopulmonary resuscitation
- HLTAID011- Provide First Aid

These are the nationally recognised qualifications, with the recently revised units.

The course will involve:

- 2 hours of pre-learning and assessment online, covering some theory elements;
- 1 day (approx. 8 hours) of classroom and practical training and assessment. The focus of our first aid training is to be practical and relevant.

Bookings can be made through the school office either in person or by contacting the office on 9754 2675 or at selby.ps@education.vic.gov.au

We would like to thanks Jason and Thomson Bridge for their generosity.

Dear School Community,

Retail Stores Opening Post-Lockdown

After the Victorian government's press conference this morning, we're pleased to inform you that all of our retail stores will be able to reopen from tomorrow, Wednesday 28th of July.

We know that there's likely some families in your School Community who have been waiting for our stores to reopen - so while our Boronia store is usually closed on Wednesdays, we'll be opening the store tomorrow so we can assist those families sooner!

We'll return to our standard trading from next Monday 2nd, but for our trading hours for the remainder of this week, please see below:

WEDNESDAY: 10:00am to 5:00pm

THURSDAY: 10:00am to 5:00pm

FRIDAY: 10:00am to 5:00pm

SATURDAY: 10:00am to 1:00pm

SUNDAY: CLOSED

We'd like to thank you all for your understanding during the closure, and look forward to having families back in-store!

Kind regards,

Beleza School Uniforms

Selby Netball Club is now taking enrolments for all age groups from NetSetGO to Opens for the Spring Season starting September 4th 2021.

Selby is a small and friendly club established in 1993. Our aim is to provide the opportunity for players of all abilities to participate and have fun playing netball.

Please visit our website selby.vic.netball.com.au or call Leanne on 0409 778 824 for more information about the upcoming season.

Ritchies supermarkets have given away over \$51 million since the Community Benefit program began in 1993.

Selby Primary School is an organisation linked to the Ritchies Community Benefit Program. The program provides additional funds to benefit the school.

For Selby Primary School to qualify for donations, customers must spend a combined \$2000 in a month (excluding tobacco, gift cards, and phone recharges). This is by all customers who nominate Selby Primary School as their nominated organisation. The Ritchies Community Benefit program is an easy way to raise funds for Selby Primary School with no costs involved.

It is easy to join the program using a phone and downloading the Ritchies Card App from the App store or Google Play, or by going online to register at www.ritchies.com.au/loyalty by using a tablet or computer. A physical card is then available to collect from cashiers in-store, which can then link to your app or online account. Once the account is set-up, you can then nominate Selby Primary School as your nominated organisation.
