a place to belong

The Bridge Issue 5 2022

## PRINCIPAL'S REPORT

On Thursday night there was the sight of people gathering, the sounds of children playing, and the smell of the sausage sizzling. It was great to welcome our new families to our first social event at the school, as well as to see people catching up with each other on the array of picnic blankets that were on display. Thank you to everyone involved – a special mention to Claire Williams, Kristy Lewis, and Toko Osadczuk for their organisation of this event.

Unfortunately, we had to cancel the Trash 2 Treasure market on Sunday but we will be holding this event later in the year. Once again thank you to all those involved in the organisation of this event.

### Farewell

This week, we say a fond farewell to Chantelle Hooper, who will be going on family leave. Chantelle has been running the Tutor Learning Initiative across this term and her calm, patient manner and friendly smile will be missed.

We wish Chantelle and her husband Tom all the very best at this most exciting of times!

### Last Day of Term

It has been wonderful having our students back onsite this term. Term One has been a slightly longer term than previous years and we break for the term vacation on Friday 8th April at 2.30 pm.

Please ensure you have this date and time on your calendar or in your mobile device so that your child is collected on time.

# A VISIT FROM CHARLIE

## THE 1927 CHEVROLET

On Tuesday 29th of March, Mrs Schwind drove her vintage car, Charlie the 1927 Chevrolet to Selby Primary School. She took the top down and let each 1/2 class see if they could all fit in it. It was a little bit like an old joke – how many Year 1/2s can you fit in a vintage car? 22 apparently! Then the students used Charlie's visit as inspiration for their writing. This is what 1/2A wrote...

Today our class looked at an old car. Its name is Charlie. It is 95 years old. It is a greenish-blue. Sometimes it leaks.

**Mia W**

Today my class saw Mrs. Schwind's old car. It's name is Charlie. It is green. It is 95. It does not have a boot. It does not have seat belts. It was made in 1927.

**Emma**

I saw the car. The colours were yellow and green and black and red. It was 95 years old. 1/2A and 1/2S sat in the car. It was fun.

The End.

**Lucy**

This morning we went to see the Chevrolet. It can only go 70km. It is 95 years old. The year is 1927.

**Cody**

Today my class got to see Mrs Schwind's car. It was green and black. It had a little engine.

**Jeffrey**

It was green. It was brown. It is made out of wood.

**Carter**

We saw a old car. Its colour is white and green. It was cool.

**Amon**

Today my class saw an old fashioned-car. The car was blueish green coloured. The car is 95 years old. Its name is Charlie.

*Meanwhile, Blaze was inspired by something else that had happened that day...*

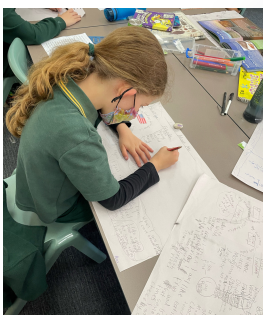

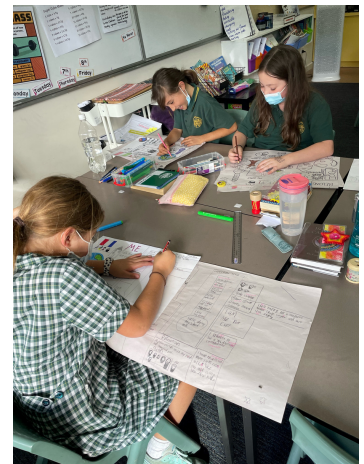

One early morning at 5am my Goowah was ringing me and my Mum. She said Priscilla had a baby! Next we rushed and got dressed and then we got in the car. When we got to Goowah's house, we spent time with the baby donkey. Its name is Scout.

The year 3/4's are working hard to complete their end of term poster project - All About Me.

This project combines everything that the students have learnt throughout inquiry.

# YEAR 3/4 END OF TERM PROJECT

# YEAR 6 LEADERSHIP!

Leadership is an opportunity for year 6s to have a chance to learn about leadership through teaching and running sessions for the 1/2s and 3/4s. Some people are Teaching Captains, others are House Captains and finally we have School Captains.

The Teaching Captains teach 1/2s all sorts of different subjects. Their subject areas are cooking, wellbeing, ICT, science and environment, visual arts and performing arts.

There are four House Captains for each house – Morley, Maskell, Temple and Tye. They teach different sport skills and games to the 3/4s through the SEPEP program.

Then there are the School Captains. The School Captains organize and run assemblies, run the Student Voice Team meetings and fill in for other captains when in need to help with teaching. This year the School Captains are also taking on a teaching role by running sessions on physical wellbeing for the 12s.

Take a look below for a glimpse at some of this terms' Leadership sessions!

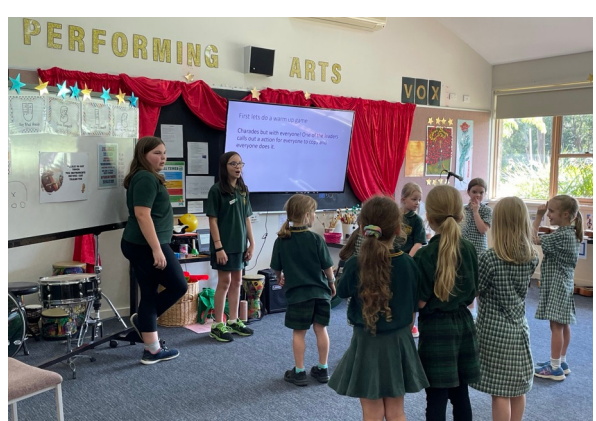

Written by Miss Hogg and School Captains, Paige, Lucy and Poppy.

# EDEC ATHLETICS

It was about a 20 minute bus ride to Cockatoo where the athletics were being held. We got everyone settled and we got straight into the 1500m race which I was in! Everyone did a great job and we were cheered as we ran past all of the Selby students. All of the students competed really well and Selby ended up winning the Rotary Shield – WooHoo!

**Sam T – Year 6**

EDEC Athletics was super fun! It was awesome seeing people run at 10 000 000 Km/H which is insane! My favourite part was at the end of the day when Isaac ran in the Championship race with the fastest runners from each school and he came third! It was so exhilarating, I loved it.

**Kyuss R – Year 6**

On 23rd March some of the senior students went to EDEC Athletics. The events were 800m, Hurdles, 100m, 200m, 1500m, shot put, discus, long jump, triple jump, high jump and circular relay. The schools we competed against was Emerald, Menzies Creek, Gembrook, Macclesfield and Cockatoo. Emerald won the overall shield and Selby won the Rotary shield. We had so much fun.

**Amaya M – Year 5**

On Wednesday 23rd March 40 lucky students got to go to EDEC Athletics to compete in running, jumping and throwing events at the track in Cockatoo. All of the Selby students worked very hard and earnt many ribbons. At the end of the day they presented two shields one for the most points which went to Emerald and Selby won the rotary shield.

# Kids working for Kids

Seraphina and Christi, came up with the idea more than two months ago to run a traditional Lemonade Stand to raise money for The Good Friday Appeal.

Their beloved Yia Yia Jane told a tale of how she, as a little girl, ran a lemonade stand back in Greece with her siblings. So the plan began...

Using YiaYia Jane's delicious real lemonade recipe the Lemonade stand was born for the Good Friday Appeal, come rain, wind or sun.

These wonderful young citizens ladies have worked hard for the kids!  
The local community has come out around the Hills, Rowville, the local mayor, school communities and friends, neighbors, local politicians, charities, artists.... it's been amazing!

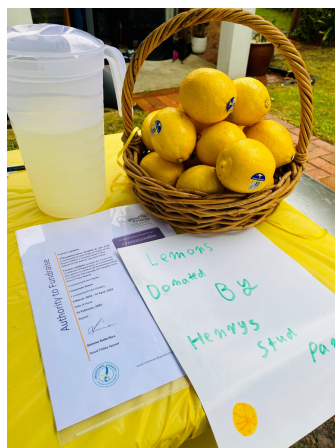

The kids have arranged it all. (There were MANY meetings prior to the first stand. )  
The lemons have been generously donated by Coles at Stud Park, and Henry's Mercato at Stud Park.

This week is the sixth week.

These kind hearted, chatty girls are making a great difference. (Supported behind the stand by both Mums and Dad and the legendary Yia Yia Jane).

The girls are looking forward to going into the counting room on Good Friday to hand over the money live on TV (the goal is \$3000. Already have over \$2000!)

The community is in great hands with young people like this. Well done, Seraphina and Christi.
