

PRINCIPAL'S REPORT

What a great start to the term. Everyone is back into the swing of things, learning, laughing, and playing together. During my classroom visits last week, I was struck by how quickly students have settled back into school and are engaging in their learning.

NAPLAN

Next week our **Year 3** and **Year 5** students will be participating in the NAPLAN test from **10 - 12 May**. This will mean that students will complete the NAPLAN Writing, Reading, Conventions of Language, and Numeracy tests on computers. To find out more information about NAPLAN, visit www.nap.edu.au NAPLAN assessments provide parents and schools with an understanding of how individual students are performing at the time of the tests.

Mothers Day Stall

This Friday, May 6th we are holding our annual Mothers Day stall. We have a wide variety of hampers available with excellent quality gifts. I would like to acknowledge the work of Amanda O'Callaghan for bringing the day together. I would also like to thank the following companies who have generously provided items at cost price. Blacksmith Cafe, Tilley Soaps, Maxwell Williams, Ishka, and Ranges Tech.

2023 Prep enrolments

Prospective 2023 Prep families are able to register to attend a school tour. If you know of families looking to enrol their child at Selby, direct them to our school website for the enrolment process, timeline and relevant forms.

If you are a current Selby family and have a kindergarten child who is ready to commence school in 2023, we ask that you submit an enrolment form by the end of term to facilitate the planning of staffing and resources for the coming year.

This year, Education Week runs from 22–28 May. The theme, ‘150 Years of Public Education’ commemorates the past, celebrates the present and imagines the future of education in Victoria.

Education Week is an opportunity for our primary school to highlight our education journey.

This year, Selby Primary School is 71 years old. Since we opened, with just 41 students on the 29th May 1951 we now have 188 students and have always been known as the "happy school upon the hilltop"

Selby Primary School will be celebrating Education Week by hosting Grandparents day on Wednesday 25th May 12pm to 2pm. We welcome parents and grandparents to attend and take some time to enjoy being in our classrooms and sharing in your child's learning.
