

## PRINCIPAL'S REPORT

Term 2 is nearly over and I would like to acknowledge both the students and staff for their hard work during some challenging times this term. Student learning has continued with the students working productively whilst engaging in a variety of activities across the school.

### End of Term

This is a reminder that students will be dismissed next Friday 24th June at 2.30 pm. Parents/carers will need to make arrangements to collect their students an hour earlier than the usual time. Camp Australia is available if required. Term 3 will resume on Monday 11th July.

### Canberra Camp

What has seemed like years in the planning finally eventuated last week with our current Year 5 and 6 students travelling to Canberra. From all accounts a highly enjoyable and successful camp. I would like to thank the staff and parent volunteers who worked tirelessly to ensure a memorable experience.

### Sport

On Wednesday 16th June the Year 5/6 students participated in the Lightning Premiership. Luckily the weather held out and a fun day of fitness and competition was had by all.

### Parent Teacher Interviews

Parent Teacher Interviews are scheduled for Thursday June 23. Interviews will be able to be booked via Compass from today and will be open until Wednesday June 22. We will be returning to onsite interviews for the first time in a few years. Please ensure you are on time so that interviews run to schedule. If you require further time please arrange with the classroom teacher for a follow up at a later date

## Semester 1 Reports

This Friday 17th June Semester 1 reports will be available through Compass. The reports will contain progression points, what your child has achieved as well as your child's progress in our specialist areas of Performing Arts, Visual Arts, Physical Education and Japanese. There is also a statement about your child's attendance in Semester 1.

The staff have done their utmost to ensure we provide you with an accurate picture of where your child is at in their learning.

Please have a good look at these reports and speak with your child about them. It is important that you celebrate your child's successes and areas where they can continue to improve. This is a vital part of academic growth and will lead to each child achieving the best that they can.

## Student Enrolment 2023

I would like to thank those families who have already enrolled their child for next year. If you have a child starting Prep please ensure you have completed their enrolment form as soon as possible. Additionally, if you know of a family in our local area who plan to send their child to Selby in 2023, please encourage them to enrol immediately.

## Prep B - Flynn Mc- **Personal Best**

Flynn, you work hard in class to show your Personal Best and all of our school values. You have had many great achievements this term that you should be so proud of. It was great seeing you segment the sounds in words using sound circles to write lots of three-letter words. Fantastic work Flynn! Keep it up!

## 1/2A - Cody K - **Personal Best**

Cody, I am blown away by the time and effort you put into creating such an amazing map of your island. You worked diligently to produce a wonderful map, carefully following all the instructions. Great work Superstar!

## 1/2S - Conor C - **Confidence**

Congratulations on your fantastic writing about your weekend Conor! I was very impressed with the way you could talk about your ideas and then get them on the page. Keep it up!

## 3/4J - Edward C - **Confidence**

Well done Edward, you were BRILLIANT at assembly last week. Not only were you the only Year 3 chosen to represent the grades, you also wowed everyone with your confidence.

Keep up this amazing work

## 3/4J - Stella B - **Confidence**

Stella, you were AMAZING during the assembly last week. The way you took on the first speaker role with confidence and grace was wonderful to watch.

I'm so proud of you.

## 3/4M - Ashlyn C - **Confidence**

Ashlyn, it was so wonderful to see how confident you were during the assembly last week. You read your part beautifully and clearly. Well done!

## 3/4M - Myles B - **Confidence**

Well Done Myles. It was a pleasure to see your confidence shine during the assembly. You projected your voice wonderfully for all to hear.

Amazing effort!

## 5/6 - **Personal Best, Confidence, Respect and Resilience**

You showed respect at the many places we visited and represented our school with pride. You demonstrated some terrific personal bests – especially at the AIS! You were confident to have a go, whether it was answering questions at Parliament, scavenging for science facts at the CSIRO, or doing chin-ups at the AIS! And lastly, we were blown away by your resilience. For many of you this was your first real camp and we could not be prouder of how you stepped out of your comfort zones to make the most of the experience.

### **Absences**

If your child will be absent from school, please log in and enter an absent note. PLEASE ENSURE THE CORRECT DATE AND TIME OF ABSENCE IS ENTERED. If your child is late to school, don't forget to come in to the office and sign them in prior to going to the classroom. The class rolls are marked first thing in the morning so if your child arrives after 9:05am they are considered late and need to be signed in. Parents are responsible for attending to unexplained absences. We recommend logging in regularly to ensure unexplained absences do not build up. At the end of term a letter will be sent to parents relating to any unexplained absences.

# 5/6 CANBERRA CAMP

We've recently returned from an exciting, interstate adventure to our national capital of Canberra! It was an incredibly busy trip and we feel very lucky to have experienced so much. Some of our highlights were Parliament House, Government House, Questacon, The National Gallery, The Australian Institute of Sport and The War Memorial.

Our 5/6s did us proud with their respectful and resilient behaviour, representing Selby Primary School in the best possible light. A special thank you to all the staff and parents that made this terrific experience possible!

Students from our school will soon be undertaking (or have recently undertaken), an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$45 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
