

PRINCIPAL'S REPORT

I hope that you have all had an amazing first few weeks back at school. It has been a very smooth start to Term 3, with students quickly settling into a positive and productive learning environment.

A special acknowledgment to our 2022 Prep students for completing their first 100 Days of School. I would like to thank all parents/carers and staff for their efforts in building positive relationships and in supporting our students.

Production

An amazing amount of work has gone into our 2022 Production. We still have some tickets available for each show, so if you are still yet to purchase a ticket jump On trybooking.com.au and secure your seat now!!

Curriculum Day

Each year all Victorian Government Schools are allocated 4 curriculum days and 2 staff planning days to use for professional learning and/or undertaking other work that cannot be undertaken on other school days. These days are extremely important to all schools, as they are an opportunity to work together as a whole staff to build our knowledge and understanding of new and emerging teaching and learning approaches. Like all professions, teachers must constantly update their knowledge and continue to build new skills that respond to the needs of students.

This Friday 5th August the staff will be using one of these days. Please ensure you have made arrangements for your child who will not be required at school on this day.

Toilet Upgrades

We have recently signed contracts with our builders and settled on a timeline. I am pleased to announce construction will commence on Friday 9th September with the aim to have brand new facilities by the end of the Term 3 holidays.

Prep Tours and Enrolments

If you have a young one that will start with us in Prep in 2023, please ensure that you have completed your child's enrolment. Enrolment confirmations were sent out last week with dates of our transition days.

State Schools Spectacular

Every minute and every day counts!

At Selby Primary School we are committed to providing your child with an excellent education. The building blocks of a great education begin with all students coming to school each and every day. Regular school attendance is vital and missing school days can have a big impact on your child's future – missing one day a fortnight will add up to missing four full weeks by the end of the year. From Prep to Year 12 that adds up to 1.5 years of school!

5 days off per year is approximately a day off every 8 weeks	=	Just 5 days off per year adds up to 7 weeks of missed schooling throughout your child's time at Primary School.
10 days off per year is approximately a day off every 4 weeks	=	10 days off per year adds up to 14 weeks of missed schooling throughout your child's time at Primary School
15 days off per year is approximately a day off every 2 1/2 weeks	=	15 days off per year adds up to 21 weeks of missed schooling throughout your child's time at Primary School
20 days off per year is approximately a day off every 2 weeks	=	20 days off per year adds up to 28 weeks of missed schooling throughout your child's time at Primary School

Just as important as regular attendance is punctuality. Our music plays at 8:53am with the aim that students will be in class, organised and ready for their school day to start at 9:00am. If you are finding that you are regularly late, please take the time to look at the morning routines and see if there is something which can be changed to help you get your child to school on time each day. As well as the missed learning time, your child being late also impacts the other students in the class as the teachers time is taken up re-introducing the learning tasks and means that your child is playing catch up from the time they enter the room. If the school can be of any assistance please feel free to make a time to see me to discuss the issue.

Being late to school can have a considerable impact over the whole school year. The table shows you just how much time can be missed through a year by being just a little bit late every day.

5 minutes late every day = 3 days of school lost a year

10 minutes late every day = 6.5 days of school lost a year

15 minutes late every day = 10 days of school lost a year

20 minutes late every day = 13 days of school lost a year

30 minutes late every day = 19 days of school lost a year

National Championships

The Inline Speed Skating community within Australia returned to celebrate our return to the National Inline Speed Championships for 2022. Usually run in January each year, we were able to return to Brisbane for some overdue competition these holidays.

With competitors from Victoria, West Australia, Queensland, South Australia, New South Wales, and international competitors from New Zealand, Will proudly carried the state designation during the opening ceremony.

Will competed in the Cadets division in the road events, which saw competitors from the ages of 12-15, while competing in the 12&Under boys division for track (indoor) events – and achieved 2 silver medals from his 3 races.

In the 200m dual time trial, Will recorded 25.03seconds, coming in second. He also achieved Silver in the 750m sprint.

Congratulations Will!

Japanese News

Our Grade 5/6 students had lots of fun with Japanese cultural sessions. They learnt how to fold an Origami Crane and tried to write Japanese Calligraphy.

The students have been aiming to make 1000 paper cranes since last year and have nearly made 700!

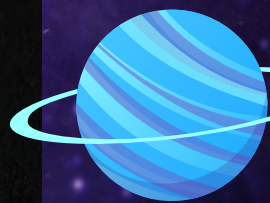

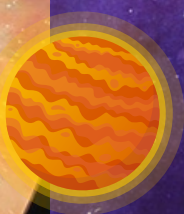

ScienceWorks

The grade 3/4's went off on an excursion to Scienceworks. This excursion supported their Inquiry topic - 'Life and Space'.

The students enjoyed an interactive demonstration in the 'Lab' that explained how the Earth's rotation on its axis affects the day and night cycle and why we have seasons on Earth. Then we travelled to the 'Beyond Perception' exhibition that pushes scientific boundaries' and creative thinking.

Good Book Awards

1/2A - Mia A - Personal Best

Your array pictures and groups were beautifully presented and showed your understanding of “groups of”. Super maths!

3/4J - Aurelia W - Confidence

Aurelia, you have been outstanding during the production. Not only does your confidence shine on stage, you are a natural leader and someone who is always willing to encourage others.

Thank you for always being so positive.

5/6S - Lylah W - Confidence

Lylah, you have been a pleasure to watch throughout production this year. Your enthusiasm and the way that you have taken on your character has been fantastic – you bring such joy to everything that you do.

5/6S - Lily M - Personal Best

What a soccer super star!!

You were amazing last week kicking the winning goals in our final match.

I think that you may have found your sport!!

Check in regularly to your parent portal to keep up to date with all school news.....

Absences

Please check for any unexplained absences your child may have, and provide explanations through Compass.
