

PRINCIPAL'S REPORT

The past few weeks have been a special time in the Selby calendar as we held our first school production in over two years. The Selby community filled the Emerald Performing Arts Centre and the audience was treated to a wonderful event

The production preparations were not straightforward – there were staff and student absences to navigate, storms, and power outages to contend with – however that was not going to stop our celebration of the performing arts. I am sure the Production will live long in the memory of the audience and performers

Congratulations to all our students and in particular to our Year 6 students – your efforts are recognised. Thank you to all the staff and parents who supported the event.

Curriculum Day - 8th September

Each year all Victorian Government Schools are allocated 4 curriculum days and 2 staff planning days to use for professional learning and/or undertaking other work that cannot be undertaken on other school days. These days are extremely important to all schools, as they are an opportunity to work together as a whole staff to build our knowledge and understanding of new and emerging teaching and learning approaches. Like all professions, teachers must constantly update their knowledge and continue to build new skills that respond to the needs of students.

Staff will be using Thursday 8th September as one of these days. Please ensure you have made arrangements for your child who will not be required at school on this day.

Book Week

Today we had a visit from author Adam Wallace. Adam is an entertaining and inspiring presenter who presents all over the world. Please see book week page below for upcoming book week activities.

Prep B - Jack T - Confidence

Jack, it was wonderful to see you show leadership and confidence as you worked with your peers to create a vet in Investigations. You used your inside knowledge to help set up the vet that catered for multiple animals. Well done Jack! You should be so proud of yourself.

1/2A - Tilly F - Confidence

What a super investigator you are Tilly! I was very impressed with the diligent way you investigated how sound moves during our Inquiry activities. What an inquisitive mind you have!

1/2S - Jacob K - Confidence

Jacob, I am so impressed with the confident way you are approaching your learning. You are having a go even when it is tricky, which is fantastic to see. I was very impressed with both your writing about the mysterious door and your solutions to the sharing 20 problem. Keep it up Jacob!

3/4M - Reza S - Resilience

Reza, it has been great to watch your resilience develop over the term. Well done on being a kind friend and being brave enough to talk to your teachers when there is an issue that needs addressing. You are a strong young boy who knows how to look out for others.

5/6H - Taj D - Personal Best

Taj, I have loved seeing you write the letters for our Arrival project. Your careful word choice and thoughtful consideration of how the characters would communicate show what you're capable of when you really put your mind to it. I can't wait to read the finished product

5/6M - Liam B - Personal Best

Liam, this award is for your constant hard work in the classroom. You attack every task with enthusiasm and a desire to do your very best. Thriving when presented with a challenge you produce outstanding work. Well done!

5/6S - Amaya M - Personal Best

Amaya I have been so impressed with the effort and time that you are putting into all of your work. Everything is detailed and beautifully presented, well done!
