## **Principals Report**

#### Scott Burton

Welcome back to everyone and I hope that you enjoyed the break with your family and friends. It was great to have the time to recharge and have time to spend relaxing and unwinding.

EDUCATION

#### **Gold for Selby**

It was with great delight that I was notified at the end of Term 1 that Selby Primary School had been awarded the Gold Award for our implementation of SWPBS (School Wide Positive Behaviour Support). We are 1 of only 18 schools across the state to achieve this level. A lot of work goes into ensuring we had met all the achievement standards to obtain Gold accreditation and I would like to recognise in particular our SWPBS lead Josie Ball for her leadership of this program.

#### Capital Works

Over the holidays there was a lot happening at school. The capital works projects continued throughout, utilising the time that students were offsite. The exterior painting was completed and the junior school toilets had a much needed update.

#### ANZAC Ceremony

Last Wednesday 26th April our School Captains Brooke and Paul attended the Dandenong Ranges Schools ANZAC day Cereomoy at the Kokoda Memorial Walkway (1000 Steps) in Dandenong Ranges NP. Both Paul and Brooke laid a wreath on behalf of the students at Selby Primary School.

#### Annual Report

Last month's School Council meeting was preceded by the Annual General Meeting where I presented the Annual Report. You are now able to view the following documents on our website:

2023 Annual Implementation Plan 2022 Annual School Report

#### **2023 Parent Payments**

Parent/carer contributions continue to provide an important and critical source of funding which enables us to supply resources necessary to maximise successful delivery of our learning programs. While all school fees are voluntary, we appreciate payment if you are able. Payments can be made at the school office, Compass, BPAY, credit card, cheque or cash. If you have any queries or wish to discuss a payment plan, please contact Nicky in the office.

#### Mother's Day Stall

Next Wednesday, May 10th we are holding our annual Mother's Day stall. We have a wide variety of gifts available. I would like to acknowledge the work of Stephanie Jackson for bringing the day together.

#### **2024** Prep enrolments

Prospective 2024 Prep families are able to register to attend a school tour. If you know of families looking to enrol their child at Selby, direct them to our school website for the enrolment process, timeline and relevant forms or contact Nicky at the office to arrange a tour.

If you are a current Selby family and have a kindergarten child who is ready to commence school in 2024, we ask that you submit an enrolment form by the end of term 2 to facilitate the planning of staffing and resources for the coming year.

## Gymnastics is back!

This Term in Physical Education, the kids will be participating in a Gymnastics program using equipment provided by Moving Monkeys Gymnastics and made possible through a Sporting Schools Grant.

The kids are having so much fun learning a variety of jumps, tumbles, rotations, balances and movement patterns.

We started the term learning all about the letter 's'. We enjoyed celebrating by having a 'Silly Sock Day' in Prep.

We are learning all about Living Things this term. We are excited to watch these caterpillars go through their life cycle.

## We love Investigations and have been very busy!

Last week we learnt about ANZAC day and paid our respects to those that have fallen.

Then we went into the kitchen and made delicious ANZAC cookies, read some stories and finished our session with a drawing lesson on ANZAC Ted as well as ANZAC poems and reflections..
