## Acting Principal's Report

It has been another busy few weeks, with the highlight being the Selby Fair! The weather could not dampen our community's enthusiasm and excitement. With a quick last-minute reshuffle of events and moving indoors, the day was a huge success thanks to the incredible efforts of Anna and her team. There were many treats and treasures to be purchased in the market, while our students were entertaining our community with the Talent Show. Lots of yummy food was on offer and overall, it was a fabulous day. Thanks so much to Anna for coordinating the event and to all the parents, staff and students who contributed to make it a fabulous community event for Selby Primary.

### Christmas Concert

This year, our annual Christmas Celebration will be held on Friday, 6th December between 4pm and 5pm. The students are encouraged to come dressed in Christmas colours, with families welcome to bring a picnic blanket and snack to enjoy while watching the students' Christmas themed performances.

## Year 1/2 Camp

Last Friday, our Year 1/2 students participated in a fun-filled Camp Day. The day began at Belgrave Treetop Adventures where the students challenged themselves to climb, zip line and navigate their way around the courses. Following this, they trekked back to school to participate in a variety of fun activities that encouraged the students to work together in teams and draw upon their creative talents. The day ended with a yummy dinner catered by The Blacksmith and a movie in the Junior School. Thank-you so much to the 1/2 teachers for organising such a fantastic day for the students, as well as all of the parent helpers who came out on the day to make sure the event was a huge success!

## Year 5/6 Market Day – Monday, 9th December

As part of the Year 5/6 Inquiry unit this term, they are running a market day on Monday, 9th December where all students will have the opportunity to purchase items created by the 5/6 students. Please send along a little money with your child if you would like to support this event.

## Parent Helpers Morning Tea

At Selby Primary School, we are so fortunate to have a wonderfully supportive parent community. Thanks to your continued support, we are able to run many events and classroom activities that would otherwise not be able to go ahead. The staff and students at Selby Primary School would like to show our appreciation and thanks to the parents and caregivers who have volunteered their time to support our school community this year, both in and out of the classroom. We invite all those who have volunteered in any way this year to join our staff for some morning tea on Wednesday, 4th December. Please see flyer below for further details.

## School Disco

Our annual school disco will be held during school hours on Thursday 12th December in the school hall. Students can come in free dress, ready for lots of dancing, fun and games. The cost is \$6 which includes entry, homemade popcorn with juice box OR water. Our Prep – Year 2 students will attend the disco from 9.10am – 11.00am followed by Year 3 – 6 students from 11.40am – 1.30pm. Our empty juice boxes and water bottles will be deposited, and the money will be heading to the dog rescue in Thailand, which is such a great cause organised by Claire Williams (thank-you Claire!).

## Production Video

Jordan Scott have professionally filmed and produced a video of this years school production 'Rock Bottom'. We are offering families the opportunity to purchase USB copies of the production for \$15. As this is an 'Opt In' event, you will need to check Compass to place your order.

## Whole School Transition Day - Tuesday 10th December

Our whole school transition day is held on the same day the Year 6 students will head to their new school for their transition day. On this day, students will find out who their teacher is for 2025 and spend some time with them and their new classmates in their new classroom. It is a very exciting time for students, but it can also cause some anxiety. We will be having conversations at school to support students through this transition. Please encourage your child to speak to their teacher about any concerns as we can help!
